

CanFix Newsletter 2020

Another year is in the books, another year of making the lives of community dogs better and another year of happy endings and smiling faces!

This year was a challenge for many of us, both personally and charity wise. Fundraising was just not the same, meeting all of our great supporters in person, having fun and petting all the adorable dogs!

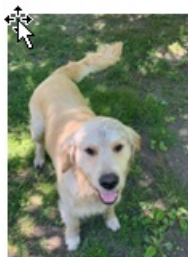

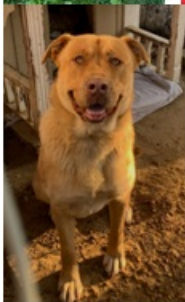

Huge thanks go out to our volunteers who rose to the challenge of turning our events virtual and for offering safe, contactless delivery like our Easter cookies and Cinnabon fundraisers!

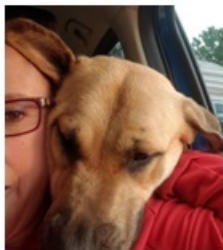

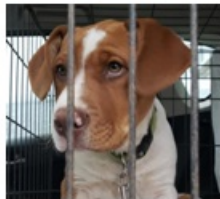

Special mentions go out to Grounded Sage Skincare, Home Away From Home Pet Boarding and Lakeside Web for their business sponsorships this year. These types of partnerships are critical to our success!

We do hope we can see you all again in 2021 for car washes, and bbqs and pawlooza and dogtoberfest and more! We miss you all! We still managed to raise over \$6,000 virtually so the dogs of CanFix say a big THANK YOU to everyone who supported us during this difficult year.

Happy Faces

The impact Canfix has to reduce and prevent suffering of community owned dogs is incredible. While we would love to show you ALL the happy dogs from 2020, here's just a few that are leading happier, healthier lives thanks to your generous support.

There are many ways you can help be a dog's hero

Sponsor a Dog - for a \$100 one time donation you can sponsor a specific dog. You will not only receive a tax receipt, but a free CanFix decal and postcard with the dog's picture and info!

Monthly Giving - this allows you to make secure, monthly payments in whatever amount you choose so we can rest easy knowing we can always help a community dog in need. Tax receipts are given once yearly for the total amount.

One time donations - of course one time donations via paypal or e transfer are always welcome! E transfers can be sent to info@canfix.org and donations can be made via the paypal link on our site as well.

Planned giving - a wonderful legacy to leave that costs you nothing during your lifetime, but ensures CanFix can continue to save lives for years to come

Event donations - auction items, yard sale donations, dog toy prizes, VOLUNTEER! (the most fun part!)

Stay tuned for all the new and fun things planned in 2021!
